

PETA *Presents*

Pawsitively in Love!

You've received a PETA Valentine! This gift in your honour supports PETA's Global Compassion Fund and helps animals in need worldwide.

I've made a gift to PETA in your honour. The group's vital work to oppose speciesism and promote animal rights is changing the world and ending the hideous suffering that animals endure for experimentation, food, clothing, and entertainment.

Thank you for everything you do to help animals.
